

The Journal OF THE *House of Representatives*

Number 2

Thursday, March 9, 2000

The House was called to order by the Speaker at 8:50 a.m.

Prayer

The following prayer was offered by the Reverend Darrell Orman of the First Baptist Church of Stuart, upon invitation of Rep. Argenio:

Father, we just want to thank you so much for these dear men and women and their desire to serve you through this Legislature, and we pray, dear God, that your Spirit might rest upon this group. And I ask you, Lord, if you would, just to instill in their hearts the desire to protect the unborn, those babies being carried by women all over the state of Florida. Lord, I want to ask you, please, in your magnificent Spirit, to help them, Lord, to just continue to follow in the tradition of our great country, the United States of America; the sanctity of marriage, in your design from the Word of God, one man and one woman for life. Lord, thank you so much for these dear men and women. Please allow your Spirit to rest upon them; draw close to them. I pray, dear Father, that you would perfect your will through their lives for the state of Florida, and we just want to tell you we love you and praise you, in the precious name of the Lord Jesus Christ. Amen.

Reports of Select Committees

In Re: The Honorable Gustavo Barreiro
 State Representative
 District 107

CONSENT DECREE

The Select Committee on Standards of Official Conduct and the Honorable Gustavo Barreiro, State Representative, District 107, pursuant to Rule 163, Rules of the Florida House of Representatives, enter this consent decree.

INTRODUCTION

1. Speaker John Thrasher, having received a February 2, 2000, Final Order and Public Report from the Commission on Ethics regarding State Representative Gustavo Barreiro, appointed a select committee on Standards of Official Conduct pursuant to Rule 163, Rules of the Florida House of Representatives.

2. The Final Order and Public Report of the Commission on Ethics finds that Representative Gustavo Barreiro violated Article II, section 8, of the Florida Constitution, by failing to report a liability of more than \$1,000 on his CE Form 6 (Full and Public Disclosure of Financial Interests) that he filed when qualifying to run for a seat in the Florida House of Representatives.

DISPOSITION

1. All parties accept the Commission on Ethics findings of a violation. The parties agree that there is no evidence that the violation was in any way willful or intentional.

2. In view of the inadvertent nature of the violation, the Select Committee believes that a letter of admonishment from the Speaker is the appropriate level of penalty to be imposed. Representative Barreiro has agreed to accept the admonishment, apologizes to the House and to the public for his actions, and has volunteered to make a contribution of \$500 to a charitable shelter for the homeless.

3. The Select Committee acknowledges and is troubled by the fact that Section 112.312(14), F.S., is ambiguous in that it fails to clearly delineate the meaning of the term "liability," and that Section 112.3144,

F.S., does not permit a public official to explain the indefiniteness of a disputed liability. The committee recommends that the House of Representatives consider legislation that would permit a disputed liability to be included as an estimated amount, explained narratively, or otherwise included without concern that the inclusion of an amount would result in a finding of a violation of the Code of Ethics.

The Select Committee therefore recommends that the House accept this Consent Decree and that the same be published in the House Journal, whereupon this matter shall be resolved.

Entered into this 21st day of February, 2000.

Gustavo Barreiro, Respondent *Dennis L. Jones*, Chair

George A. Crady

Jerry G. Melvin

Members, Select Committee on
 Standards of Official Conduct

On motion by Rep. Arnall, the House accepted the consent decree.

Pursuant to the recommendation in the report of the Select Committee, the following letter was received:

The Honorable Gustavo A. Barreiro
Representative, District 107

March 9, 2000

Dear Representative Barreiro:

After receiving the report of the Select Committee on Standards of Official Conduct in which the committee has recommended, with your acceptance, I am issuing a letter related to your submission of an inaccurate financial disclosure statement as a candidate for elective office. I accept your explanation that the error was unintended and understand that one could reasonably support that some liabilities are contingent and are not subject to disclosure; however, I would note that current statutes permit a method by which an official may request a formal opinion for such disclosures. I would therefore admonish you to meticulously adhere to the requirements of the Code of Ethics and the Rules of the Florida House of Representatives. Should you have questions in the future as to the proper course of conduct, I would strongly urge you to seek the advice of the General Counsel of the House of Representatives or of the Commission on Ethics, prior to risking a violation of the ethical rules which govern our conduct.

I have also received your letter of apology which I am accepting on behalf of the Florida House of Representatives. I appreciate and applaud your willingness to accept responsibility and to seek to bring this matter to an appropriate conclusion.

Sincerely,
John Thrasher
 Speaker
